Arrows indicate parking entrances. Look for Heard Museum signs.

Save traffic and parking problems **Ride the Light Rail** to the **Heard Museum** entrance. The walk-in entrances are at Encanto Blvd. across from the Light Rail Stop and on Monte Vista on the South side of the Museum. Please use the stoplight crosswalks at Encanto Blvd. or Palm Lane to cross the Light Rail. Because of the Light Rail and your safety **DO NOT "J-walk"**. Remember that all volunteers must enter from Monte Vista and there is **NO** on site parking.
